

Gifted Education Team

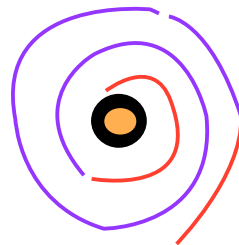

We appreciate your interest in the Gifted Education Team (GET), a non-profit corporation and the Eagle County Affiliate of CAGT (Colorado Association for the Gifted and Talented. www.coloradogifted.org)

We are a group of parents and educators who share insights, concerns and passions about the future of our inspiring and challenging high ability children and students.

GET members have developed a cooperative working relationship with the Eagle County School District (ECSD), whose mission is: "Educating Every Child for Success"

GET has sponsored and organized teacher trainings, parent night presentations, lectures by nationally known GT specialists, visits to gifted schools around Colorado and many other activities designed to enable our community to meet the needs of these exceptional students.

Thank you for joining us as we work toward positive, practical and productive solutions for refining and enhancing educational opportunities for all high ability learners in Eagle County. Your input, ideas, and participation are welcomed and greatly appreciated.

Please join GET today! Your membership helps to support all of our great programs.
